

Nuance® eCopy® PDF Pro Office

Better PDF for business.

The smarter PDF desktop software companion to multifunction printers

eCopy® PDF Pro Office 6, the latest version of Nuance's flagship enterprise-ready desktop PDF solution, is the smart replacement for Adobe® Acrobat®. It enables business users to create, view, edit, convert, and collaborate with 100% industry-standard PDF files to deliver maximum value without compromising functionality or ease of use. Plus, eCopy PDF Pro Office is integrated with eCopy ShareScan® to deliver the most streamlined experience when scanning from a networked MFP to your desktop.

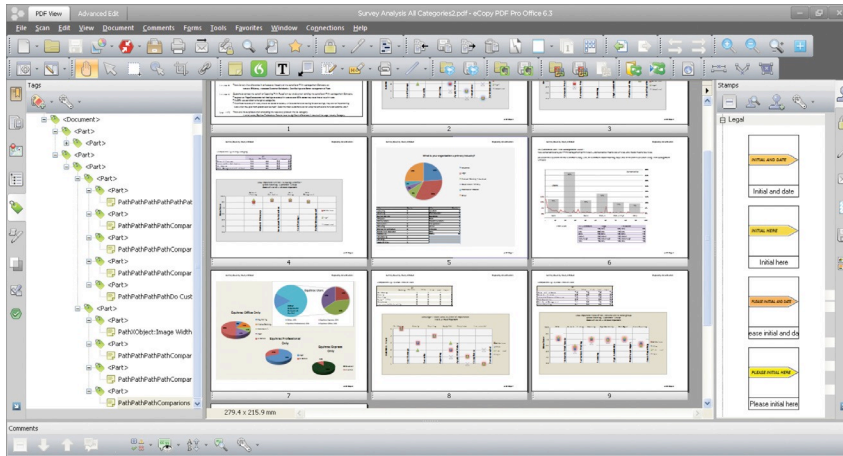

eCopy PDF Pro Office provides all the capabilities a business user needs, at a price that allows you to put PDF on every desktop across the organization to boost productivity and eliminate format dependency bottlenecks that can slow down business. eCopy PDF Pro Office offers powerful and unique functionality, proven reliability, and remarkable ease of use in a small footprint solution that doesn't eat up resources or impede system performance. It's fully compatible with popular document management systems to give users controlled access to PDF files without placing an additional burden on IT. What's more, Nuance offers attractive license programs to meet the needs all business sizes and types.

Get a complete PDF solution

Designed specifically for business users, eCopy PDF Pro Office lets you effortlessly create 100% industry-standard PDF files—including PDF and PDF/A versions—directly from your scanner, MFP or any PC application that can print. Convert to PDF from within Microsoft Office documents or create PDF files from any document with a single click while browsing in Microsoft Windows®. Even create files in batches for maximum efficiency and time savings. Accurately convert PDF files to editable Corel WordPerfect, Microsoft Word, Excel, PowerPoint, and searchable XPS documents with fully formatted text, columns, tables and graphics. Automated image conversion lets you assemble groups of files in one format and automatically convert them to another. Enjoy fast, easy document assembly, too. Combine files and remove or replace pages with drag-and-drop ease. View and select pages from a source document—Word, Excel, PowerPoint, WordPerfect, XPS, JPG, BMP, or TIF—to insert into a target document.

Get word processing capabilities in your PDF

Eliminate the frustration of having to re-create or locate an original document to repurpose and edit its contents. Advanced editing functionality converts PDF files into fluid and dynamic PDF documents with full word processing capabilities. Familiar tools, such as text edit, bold, underline and highlight let you edit your PDF file quickly and easily. Whether you're making a simple text change or adding multiple paragraphs of new content, you have updated PDF files faster than ever before.

Ensure document security

Control PDF document viewing, printing and modifications by adding passwords with encryption and permission controls. Automatically inspect for and fully redact sensitive data or flatten all PDF document contents for secure document sharing. Authenticate document owners using self-signing, Microsoft Crypto, or third-party signatures.

Integration with FileOpen® Digital Rights Management software ensures that eCopy PDF Pro Office can open their protected documents and respect their security settings.

Easily connect to the cloud

Cloud connectors allow you to open files from popular cloud services, such as Box, Google Drive™, Microsoft OneDrive, Office 365, Evernote® and Dropbox. Once you've made changes, you can send the updated files back to these sites. Now it's easier than ever to print PDF files to Nuance's PaperPort® desktop application using the Nuance PDF Create printer and PDF Create Assistant.

Connect to popular Document Management Systems

Integrate seamlessly with Microsoft® SharePoint® Server 2007, 2010 and 2013, Windows SharePoint Services 3.0, Microsoft Office 365, OpenText eDOCS 5.3, 10, HP WorkSite 8.3, 8.5 and 9, Livelink® ECM – Enterprise Server 9.7 and 10, OpenText Enterprise Connect 10.5, NetDocuments, Worlddax® GX2, GX3, EMC² Documentum 6.7, 7.1, Xerox® DocuShare 6.5, OnBase and Therefore. Save documents to DMSs quickly and easily from the Save As menu, from Portfolio view, or directly from Internet Explorer®.

Meet accessibility standards

Automatically tag PDF files and easily verify document compliance with Section 508 and other accessibility standards.

Scan directly to your desktop

Simplify the scanning process via integration with eCopy ShareScan or pre-set scanning preferences, including the ability to monitor multiple folders to notify users when new documents are available.

Collect information from forms

Use FormTyper™ to automatically convert non-fillable forms into fillable PDF forms that you can complete, save and email. Export information from one or a batch of filled-in forms and sort, search and analyze the data using database and spreadsheet file types.

Speak your notes for faster PDF review

With integrated Dragon Notes speech recognition, you can use your voice to quickly capture ideas and comments directly within your PDF files. Simply speak to create text notes in far less time than it takes to type. It's a fast, accurate and convenient way to boost productivity when working with PDFs.

Perform intelligent searches

Leverage an intelligent Looks Like Search™ feature and advanced information identification options to find what you need when you need it.

Easily manage network installations

Leverage robust network deployment tools to customize your installation. Conveniently service all users with network push install and software access options through supported virtualized software environments including Citrix® and Windows Terminal Services. Or provide users with access to the software via Microsoft Application Virtualization without local desktop installation.
